Section 3. Project Goal

The County's intent is to retain a qualified general contractor to coordinate and oversee particular construction and improvement projects at the Pink Hill Gymnasium. This RFP is intended to provide Lenoir County with clear expectations on pricing, timing, scope, and scale of the project and work to be performed.

Section 4. Scope of Work

The following scope of services is included as a guide for those individuals or organizations submitting proposals in response to this RFP. It is designed to identify the minimum service level expected from the successful contractor and, as such, should be modified and augmented, based upon the experience of the firm, as necessary, to complete the project or to ensure a long-term solution that addresses the needs of Lenoir County (hereinafter "the County"), the Kinston/Lenoir County Parks and Recreation Department (hereinafter "Parks and Rec"), and for the Pink Hill Gymnasium facility (hereinafter "Pink Hill Gym" or the "gym").

General

In all circumstances, the work to be performed shall be of first-class quality by employees skilled in the respective trade and knowledgeable about the product and equipment being used. The selected contractor shall:

1. Provide a project manager/key representative during the duration of the project to ensure communication with the County and Parks and Rec as necessary;
2. Conduct work in a manner that causes minimal obstruction and inconvenience to parks and recreation operations. The majority of project work (that which causes disruption) shall be initiated with prior approval and consultation with the Director and, where possible, during non-business hours. For all work performed during business hours, the contractor shall provide all necessary barricades, signs, or other safety equipment for work areas as necessary as to avoid any unnecessary disruption or accidents. Prior scheduling of areas to undergo construction shall be coordinated with the Director in order to allow for time to adjust staff hours or office locations as necessary;
3. Existing surfaces and/or other items near areas where interior construction is to occur shall be protected from sanding dust, splatter, or other damage that could result from construction operations. As necessary and appropriate for this scope of work, the contractor shall use sufficient protective measures for the protection of floors, furnishings, and adjacent surfaces. The contractor shall be responsible for repairing, at their expense, any damage to existing improvements or items that result from providing inadequate protection from damage.
4. Lenoir County reserves the right at any time to alter the specifications to meet increased or decreased needs. If such changes cause an increase/decrease in costs or time required for services, or otherwise affect any other provision of the contract, an equitable adjustment shall be made and the agreement shall be modified in writing accordingly, prior to any additional work being performed;
5. Parks and Rec and the County are not responsible for accidents or injuries incurred by the contractor. The contractor is required to maintain adequate insurance coverage. The contractor shall save and hold harmless Kinston/Lenoir County Parks and Recreation and Lenoir County Government;
6. The County reserves the right to award any contract to the next most qualified contractor, if the successful, initial contractor does not execute a contract within thirty (30) days of being notified of the selection;
7. The contractor shall adhere to the following general specifications:
 - a. Consult with Parks and Rec and the County to provide a schedule for construction; once said schedule has been approved by all parties, the schedule shall be adhered to and liquidated damages may be included as a provision of the final contract.
 - b. Provide all labor, materials, equipment, and oversight for the project.
 - c. Provide all work, herein described, for the entirety of the building.
8. The project shall include the following projects, which shall fall under the general observation of the selected contractor:
 - a. Replace all windows and exterior doors in the main gym area (to be identified as the area for the basketball court).
 - b. Repave and stripe approach and apron for the building frontage, ensuring provisions for all necessary handicap compliance and drop off areas.
 - c. Provide sidewalk connection between drop off and approach area to the existing front doors of the gym.
 - d. Pressure wash the front of the gym.
 - e. Provide precast bollards at the front entrance of the gym in order to protect from vehicle strikes.

- f. Install new signage and lighting for the road-facing wall to designate the area as “Pink Hill Gymnasium”.
 - g. Assess and repair the basketball court where necessary.
 - h. Assess and repair the fencing for the entire site, inclusive of all security fencing and ball fields, as necessary.
 - i. Provide landscaping improvements for the front of the building to include:
 - i. Trimming of overgrowth for existing trees and shrubs along the front of the gym.
 - ii. Remove, where necessary, and replace or install new shrubs along the exterior of the building frontage.
 - iii. Mulch all existing and new landscaped areas along the building frontage.
 - iv. Re-seed and straw areas of bare ground in order to promote new grass growth.
9. Clean and disposal of debris/trash shall be carried out according to the following:
- a. Keep areas free of accumulated debris and construction materials on a daily basis. Upon completion of the work, herein described, contractor shall remove all materials and debris.

Section 5. General Requirements

1. The contractor shall demonstrate relevant experience with similar work and shall be competent to perform the services required under this RFP;
2. The contractor shall be financially solvent and the County reserves the right to request information to determine solvency; and
3. The contractor shall be responsible for complying with local, state, and federal codes, legislation procedures, and regulations affecting work in their professional area.

Section 6. Bid Submissions

Proposals will be evaluated on the basis of all information provided. To evaluate capability for completing the work as outlined in this RFP, each proposal should provide detailed responses to each of the following requirements herein listed:

1. Overview and Qualifications

- a. Name, address, telephone number, and email address of the primary point of contact.
- b. Name and address of each firm’s principal officers.
- c. A general statement of capabilities and areas of expertise.
- d. A general description and proposal for how the contractor will address the needs described in Section 4: Scope of Work.
 - i. The contractor is encouraged to include and describe areas to be resolved through sub-contractor; any items in this scope to be performed by sub-contractor should still be included in pricing for this entire scope response.
- e. A qualified estimate of the work described in Section 4: Scope of Work.
- f. A brief description of at least three similar projects performed that might help our understanding of the contractor’s ability to perform the scope herein described.
- g. A description of how the project will be managed, who will be the primary point of contact.
- h. A description of the total fee to be charged by the contractor.

2. Selection Process

County staff will select a contractor based on critical factors including responsiveness to this RFP; description of approach to services; relevant project experience; qualifications; responsiveness to the scope of work; readiness to undertake the required services; ability to execute an acceptable written contract; and price of the proposed scope of work. The County reserves the right to reject any or all submissions and to request written clarifications and supporting materials as necessary. The County and Parks and Rec reserve the right to accept the proposal most favorable to the project after all proposals have been examined and evaluated.

This instrument has been pre-audited in the manner required by the Local Government Budget and Fiscal Control Act.
